

Bachelor of Arts

Women's Studies (BA)

Women's and Gender Studies is a multi- and interdisciplinary field of study that examines gender in historical and contemporary contexts with an emphasis on women's perspectives. We value the complex intersections of gender, race, class, sexuality, ability, nation, and other identities. We are committed to a social justice-based approach, and seek to bridge academic and community work. Contact the Women's and Gender Studies Department to speak with the Departmental Advisor, 757-683-3823.

Women's Studies as a Second Major

Students interested in Women's and Gender Studies but who already have a major may be able to fulfill their upper-division general education requirements by selecting Women's Studies as a second major. Such students must complete the same departmental requirements as those majoring solely in Women's Studies, but may count up to three Women's Studies approved courses taken for their other major toward their Women's Studies major as well. For instance, a student majoring in both Sociology and Women's Studies may count three courses (such as SOC 340 (<http://catalog.odu.edu/search/?P=SOC%20340>), SOC 343 (<http://catalog.odu.edu/search/?P=SOC%20343>), and SOC 427 (<http://catalog.odu.edu/search/?P=SOC%20427>)) taken toward their sociology requirements as three electives for their major in Women's Studies.

Double Majoring in Philosophy and Women's Studies

The Departments of Women's Studies and Philosophy and Religious Studies have established an arrangement that makes it possible to complete a double major in as few as 57 hours, only 9 credits more than the 48 hours needed for a major in Women's Studies and minor in Philosophy. Any four of the following courses, totaling no more than 12 credit hours, may count toward both majors. Courses "double-counted" from one major will be considered electives in the other major.

PHIL 365	Race & Power	3
PHIL 402	Gender and Philosophy	3
REL 403	Gender and Sexuality in Islam	3
WGS 302W	Dimensions of Diversity: Intersectionality Among Women	3
WGS 303	Queer Studies	3
WGS 460W	Feminist and Queer Theory	3

With prior approval other courses from PHIL, REL, or WMST, such as topics courses, may be counted toward both majors.

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Linked BA/BS in Women's Studies and MA in Humanities

The linked program in Women's and Gender Studies and Humanities makes it possible for exceptional Women's Studies majors to count up to 12 hours of graduate courses toward both an undergraduate and graduate degree.

Students must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). For more information consult the Humanities section of this Catalog.

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (<http://catalog.odu.edu/graduate/stromecollegeofbusiness/>) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (<http://catalog.odu.edu/graduate/business/public-service/>). For additional
