Additional Requirements and Information Advising

To declare an English major or minor, students must see the English chief departmental advisor (CDA). The CDA will assign each major to a faculty advisor. Students in the Secondary Education Endorsement Program will also have an advisor in the Darden College of Education and Professional Studies. All English majors are required to have a conference with their English advisor before each semester (preferably during preregistration). The CDA will hold periodic group meetings with English majors to keep them fully informed.

Research Practicum

Students who wish to combine research and real-world experience can take ENGL 369 Research Practicum.

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Linked Bachelor of Arts in English/Master of Arts in Applied Linguistics

The linked BA in English with a major in Applied Linguistics and MA in Applied Linguistics makes it possible for exceptional students to count up to 12 hours of graduate courses toward both an undergraduate and graduate degree. Students must earn a minimum of 150 credit hours (120 for the undergraduate degree and 30 for the graduate degree).

Admission Requirements

To be admitted to the program, students must have completed at least 60 undergraduate hours, including at least nine hours in English applied linguistics courses at the 300 level or above. At the time of admission, they must have an overall GPA of 3.00 or better, and a GPA of 3.30 or better in all English applied linguistics courses.

Admission Procedures

Interested students who meet the admission requirements should apply to the graduate program director as soon as possible after completing the required 60 undergraduate hours. In consultation with the graduate program director, students will:

- Officially declare themselves an undergraduate Applied Linguistics major to the English Department's undergraduate chief departmental advisor
- Draft a schedule of graduate courses to be taken as an undergraduate, which will be placed in the student's undergraduate and graduate advising files.
- Apply to the Office of Graduate Admissions for admission to the MA in Applied Linguistics program during their senior year.

Students will be admitted to the linked program for the semester after they make their application. Once students have been awarded their BA degrees and have fulfilled all regular admission requirements for the MA in applied linguistics, they will be officially admitted into the MA program.

Program Requirements

Students in the program will fulfill all normal admission and curricular requirements for both a BA in English with an Applied Linguistics major and an MA in Applied Linguistics, with the following exceptions:

- Students in the program may count up to 12 hours of graduate courses taken as an undergraduate for which they have earned a grade of B (3.0) or better toward both the BA in English and MA in Applied Linguistics degrees.
- Students in the program may substitute English linguistics graduate courses for undergraduate courses according to the following schema.
 All students must complete an undergraduate writing intensive course in the major.
 - a. Any 500-level linguistics course that is cross listed with a 400-level course may be substituted for the 400-level course.
 - Students may substitute 600-level courses for undergraduate courses according to the following list:

ENGL 672	Language Structure Analysis	3
for		
ENGL 350	Aspects of the English Language	3
ENGL 677	Language and Communication Across Cultures	3
for		
ENGL 371W	Language and Culture	3
ENGL 695	Topics	1-3
for		
ENGL 495	Topics in English	1-3

c. Students in the program may make a written petition for other substitutions to the graduate program director (GPD) for electives in fields such as Asian studies, education, or professional writing. The GPD will consider substitutions in consultation with the chief departmental advisor and the instructor(s) of the courses involved. Students should consult the Graduate Catalog for requirements for the MA in Applied Linguistics.

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified nonbusiness undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the earlyentry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (http://catalog.odu.edu/ graduate/stromecollegeofbusiness/) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is

suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (http://catalog.odu.edu/graduate/business/public-service/). For additional information, please contact the School of Public Service in the Strome College of Business.
